

THE ITALIAN LANGUAGE INSTITUTE

YOUR ITALIAN AND FASHION COURSE

YOUR ITALIAN AND FASHION COURSE

If fashion is your passion then this is the course for you. Study an Italian language course focusing on fashion with one of our experienced language teachers and then move on to the History and Culture of over a Hundred Years of Italian Fashion with a designer who teaches at the über-prestigious Istituto Italiano Moda in Rome.

Courses run Monday to Friday from June to October. You start the day with a two-hour language lesson from 9.00 to 11.00 giving you the vocabulary and structures you need for the fashion module. As on all our courses, the small groups and friendly atmosphere means we can focus the lessons on what interests you most, helping you improve your Italian through tailor-made content. After a short break you go back into class for a further two-hour lesson on the “History and Culture of Italian Fashion”, a fascinating journey, all in Italian, through the evolution of what makes a “Made in Italy” label so special.

One half day is dedicated to an excursion to the historic fashion museum in Gradoli.
An intermediate (B1) level of Italian is required.

For those who want to get to grips with scissors and some serious sewing, we can also organise an additional special option Fashion Lab held directly in the Designer’s Atelier for the afternoons.
